## APRIL

### Hat kalika Mandir , Gangolihat

The Haat Kalika temple has utmost religious significance for the people of Kumaon region, especially the brave soldiers of Kumaon regiment of Indian army. A popular legend goes by that once a turbulent sea storm blew which caused tremors in the ship that was carrying the soldiers of the Kumaon regiment. When all the efforts for saving the ship from sinking failed, the soldiers then resorted to Goddess Haat Kali and prayed her.
